We are looking forward to seeing you in the "Cool Japan lecturer Association"

Philosophy of our Activities

In accordance with the progress of Globalization, It must be a most important thing that we, Japanese, should inherit the Japanese Traditional Culture, Customs and Manners and hand them down to the next generation.

These Traditional Cultures such as "Good Morales", "Characters" and "Spirit of Hospitality" etc has been fostered for such a long time and are supposed to be an intangible proud assets of our society.

Our organization would like to succeed these Japanese Characteristics. Furthermore, through these activities, we would like spread our Culture and make a good relationship with other countries.

Activities of the Association

“Cool Japan Lecturer Association” which was founded by four instructors in June 2014. This organization is aimed for conducting international cultural exchange activities throughout the world. In accordance with the development of globalization and internationalization, we should inherit our original Japanese Culture and spread them to the next generation. At the same time, we should understand other foreign cultures, therefore, we would like carry out our activities of improving cultural exchange with further countries.

With sponsorship of the “Japan Foundation Asia Centre “ we has opened some courses of “Japanese Culture” “Japanese Customs and Common Sense” abroad in order to spread Japanese spirit of hospitality “OMOTENASHI” throughout the world which has been popular as a catchword of the Olympic Games in Tokyo, 2020.
